INVITATION

Dear colleagues, Cordial greetings from the Indian Society for Medical Statistics (ISMS) and Rajendra Institute of Medical Sciences (RIMS), Ranchi, Jharkhand, India. Hope all our esteemed members are well and safe. We are pleased to announce the hosting of the 39th annual conference of the society (ISMSCON-2021) by the **Department of PSM, Rajendra Institute of Medical Sciences (RIMS), Ranchi**. The conference will be held completely on the online platform from 9th to 11th December 2021. The Department of PSM and members take full responsibility for hosting this conference and in that sense; it is going to be a unique experience for each one of us to successfully organize the conference. This conference will offer an opportunity to discuss recent developments in Medical statistics focusing on the theme “*Application of Biostatistical Techniques for Summarizing Evidence; Systematic Review and Meta-Analysis*” We will try our best to create an opportunity to interact with colleagues and friends through a new experience of the digital world. We invite your active participation and deliberation in ISMSCON-2021.

ABOUT ISMS

The Indian Society for Medical Statistics (ISMS), established in 1983 at Jhansi in Uttar Pradesh is a Society, registered under Societies Registration Act XXI of 1860. It is a scientific body consisting of biostatisticians, medical teachers, researchers, demographers, public health professionals and scientists from other related disciplines. This society of scientists working in the medical field is the only society of its kind in the South East Asia region. Society provides a common platform for medical researchers, statisticians and computer specialists to interact and benefit mutually towards sharing the developments and applications of statistical techniques. Since its inception, the society has been organizing a conference every year in conjunction with its annual meeting at different universities and academic institutes in the country.
